

## Qi Stratford

Qi Stratford - Feng Shui consultants are able to help people with the layout, decoration and orientation of their residential home and commercial spaces. Consultants could even help with exterior or interior areas or structural applications. For example, she or he can be responsible for just the design and cosmetic dressing of an interior space. On the other hand, if a Feng Shui consultant is brought in to offer suggestion during an early planning stage of a project, she or he may offer input regarding the structural elements of the space or the building.

Feng Shui is most commonly performed within office and home locations. Before, this art was most usually done buildings of importance like for example palaces and places of worship. In the 1960s Feng Shui became popular in the West. Numerous books have been written ever since then and published in English and various languages. Many Westerners who have studied Feng Shui have gone on to become consultants.

There are some specific schools which provide Feng Shui courses. To be able to become a Feng Shui consultant, it is vital to commit intense research time in order to fully comprehend the practice. Feng Shui is based on an understanding of qi, which is otherwise known as "chi." Qi is often defined as the flow of energy that is associated to all living things. The practice even relies on polarity, the theory of magnetic pulls as well as yin and yang. A Feng Shui consultant should even know the different symbols related to practice plus knowing a lot regarding qi.

Feng Shui is often performed in private houses throughout Western countries. It is far more uncommon for professional areas which are fashioned or built according to Feng Shui principles. Even though the area in general has not been organized to the philosophy of Feng Shui, it is possible to integrate elements into private work areas. When including Feng Shui into designing and dressing a larger space, it may be wise to consult a Feng Shui consultant, although it is possible to do smaller projects on one's own.

Different sites on the Net are devoted to offering information concerning Feng Shui, its history and its principles. The information on the websites usually consists of general knowledge of Feng Shui as well as information regarding schools which provide courses. Some of these sites likewise provide contact information for those in search of a Feng Shui consultant.
